“My God has shown me forgiveness and strength, and that is what I want to portray unto others.... God bless you.” Mark Garwood 1990-2014

Mark had an insatiable passion for life, a fearless and fun-loving nature, and a generous heart.

At the age of 20, Mark was hospitalized for three days after being assaulted at a pick-up basketball game. He became addicted to prescription medications given to him in the hospital, and his world spiraled out of control. Mark was determined to get his life back on track. He went through detox, rehab, actively participated in

AA and NA programs and lived in sober living residences. After a four-year battle, he died due to complications of his addiction and type 1 diabetes.

The Mark Garwood SHARE Foundation was established to honor Mark's life and legacy by providing educational opportunities to individuals who are earnestly working toward a sober and productive future. The Garwoods witnessed firsthand the destructive impact of substance use disorder. They also experienced the incredible success that is attainable by supporting those in recovery seeking to rebuild their lives.

Since 2015, the Mark Garwood SHARE Foundation Phoenix Scholarship program has provided over \$250,000 in scholarships and educational grants to 41 adults in south Florida who are in recovery, committed to long-term sobriety, are ready to begin or continue their education, and have a financial need. Phoenix Scholarship recipients are successfully pursuing degrees in areas such as nursing, social work, accounting, and business. Two alumni are pursuing doctoral degrees in medicine and nursing, solidifying our firm belief that **RECOVERY+EDUCATION=SUCCESS!**
