

## **RANDOM DRUG TESTING POLICY**

Recipients of the Mark Garwood SHARE Foundation scholarship are required to participate in random drug screening. Acceptance of this policy by the recipient is a requirement to maintain scholarship funding.

Please read carefully the following guidelines for random drug screens:

- Recipients will be given notice when a drug screen is to be scheduled.
- Testing days will be randomly selected and will vary.
- It is the responsibility of the recipient to provide the required sample and to coordinate with the designated administrator to schedule a time for testing.
- Random drug screens can and will be scheduled and completed at the discretion of the Mark Garwood SHARE Foundation administrators.
- Failure to be present for a scheduled drug screen will be considered a refusal, and will constitute grounds for termination of the scholarship and enforcement of any applicable penalties and reimbursements.

**I acknowledge that I have fully read, understand, and accept the Random Drug Testing Policy of the Mark Garwood SHARE Foundation. I further acknowledge that compliance with this policy is a required condition for acceptance of the Foundation Scholarship.**
