RANDOM DRUG TESTING POLICY

Recipients of the Mark Garwood SHARE Foundation Phoenix Scholarship are required to participate in random drug screening. Acceptance of this policy by the recipient is required to maintain scholarship eligibility.

Please carefully read the following guidelines for random drug screens:

- Random drug screens can and will be scheduled at the discretion of the Mark Garwood SHARE Foundation and its agents.
- Testing days will be randomly selected and will vary.
- Recipients will be given 24 hours' notice when a drug screen is to be completed.
- Once notified of testing, the recipient is responsible for coordinating with the designated administrator to schedule a time for testing.
- Failure to be present for a scheduled drug screen will be considered a refusal and will constitute enforcement of any applicable penalties, including the possible termination of scholarship.

I acknowledge that I have fully read, understand, and accept the Random Drug Testing Policy of the Mark Garwood SHARE Foundation. I further acknowledge that compliance with this policy is a required condition for acceptance of the Foundation Scholarship.
