MEET JESSIE

Jessie Ashley Ewing is the first recipient of a Mark Garwood SHARE Foundation scholarship. Jessie is currently enrolled at Palm Beach State College, and is pursuing a degree in nursing. She is 29 years old, a native of Connecticut, and has lived in south Florida for six years.

“The Mark Garwood SHARE Foundation has changed my life. It has given me an opportunity to have a future and a career with endless possibilities. I have gone from an addict, destitute on the streets, to a college student working to become a Registered Nurse. The Foundation inspires and encourages me to reach my goals through hard work and a solid program of recovery. I am dedicated to be an example to others who want a better life. Never stop chasing your dreams!”

- Jessie Ashley Ewing

“My God has shown me forgiveness and strength, and that is what I want to portray unto others.”
